Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Metropolitan Transportation Commission's (MTC) Administrative Modification No. 21 to their 2008/09-2011/12 Federal Transportation Improvement Program. This administrative modification includes projects funded from various programs including the American Recovery and Reinvestment Act of 2009.

MTC submitted these changes consistent with the Federal Statewide Transportation Improvement Program (FSTIP) Amendment and Administrative Modification Procedures. Since administrative modifications do not require Federal Highway Administration or FTA approval, these changes have been included in California's 2009 FSTIP.

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in blue ink, appearing to read "Muhaned Aljabiry".

MUHANED ALJABIRY, Chief  
Office of Federal Transportation Management Program
